DEC 16 2003

Technology Center 2100

Sir:

A Notice of Abandonment dated December 4, 2003 was recently received on the above-identified application. The reason stated for abandonment was the alleged failure of Applicants to respond to the Notice to File Missing Parts mailed October 23, 2001. Applicants request that the Notice of Abandonment be withdrawn since a response to the Notice to File Missing Parts was in fact filed in a timely manner on December 18, 2001, and this response was received by the PTO. To support Applicants' position, Applicants enclose a copy of the Response to Notice to File Missing Parts (in duplicate) a copy of Notice to File Missing Parts, a copy of Executed Combined Declaration and Power of Attorney, a certificate of mailing and the date-stamped postcard indicating receipt of all these documents in the PTO mailroom.

Since the postcard plainly shows that the error lies with the PTO, Applicants respectfully request the withdrawal of the abandonment by the PTO without requiring Applicants to file a Petition to Revive.

Respectfully submitted,
